[5th November 1952

THE HON. SRI C. RAJAGOPALACHARI:—"The entire Constitution, if the hon. Gentleman will study it, is very much like the 1935 Act."

SRI T. VISWANATHAM:—"May I draw the attention of the Hon. the Chief Minister to the language of Article 166, clause (3) of the Constitution? The rules relate, I submit, only to business other than that in respect of which the Governor is by or under this Constitution required to act in his discretion. In other words, these rules are in respect of business which is not the concern of the Governor. May I ask the Hon. the Chief Minister whether he will concede the point that the public have got a right, in their dealings with the Ministry and individual Ministers, to know what the rules of business are, whom they should approach for a particular matter, and what rights and remedies they have, and that it is a constitutional right and that, therefore, the rules cannot be treated as confidential?"

THE HON. SRI C. RAJAGOPALACHARI:—"The point urged by the hon. the Leader of the Opposition will be duly examined. But I am afraid that if any such thing is insisted on, there will have to be two sets of business rules. To-day there is only one set. It is quite possible that we may have a public set of rules and another for internal discipline and the like. The matter will, however, be examined."

SRI V. BALAKRISHNAN:—"When the Constitution itself is public, how could the rules, which arise from it, be secret?"

MR. SPEAKER:—"The hon. Member may give notice of a separate question."

* 52 Q.—SRI M. NARAYANA NAMBIAR: Will the Hon. the Minister for Finance be pleased to state—

(a) whether the Government have received representations from the Government servants at Hosdrug in South Kanara district requesting the Government to extend the concession of house rent allowance to Hosdrug; and

THE HON. SRI C. SUBRAMANIAM:—"(a) Yes.

"(b) The question is under the consideration of the Government."

Co-operative cattle breeding societies, Cuddapah district.

* 53 Q.—SRI P. VENKATASUBBIAH: Will the Hon. the Minister for Agriculture be pleased to state—

(a) whether the scheme of improving livestock by organizing cattle-breeding co-operative societies in Cuddapah district is considered by the Government to be a success;

5th November 1952]

(*b*) the number of such societies started in Cuddapah district;

(*c*) the breed of stud bulls that were used in these societies to improve the local country stock;

(*d*) the number of improved bull-calves and heifers that were reared in each society;

(*e*) the pecuniary benefit that was derived by the members in each society; and

(*f*) the total expenditure incurred on account of this scheme by the Government so far?

THE HON. DR. R. NAGAN GOUDA :—" (*a*) Yes, Sir.

" (*b*) Ten co-operative cattle-breeding societies were started in Cuddapah district.

" (*c*) Nine societies have stud bulls of Ongole breed and the remaining one is having Hallikar breeding bull.

" (*d*) The calves are not reared by societies but by the cow owners. Up to June 1952, the ten stud bulls purchased by the societies rendered 814 services which resulted up o now in the birth of 262 bull calves and 178 heifer calves of improved strains.

" (*e*) Since no regular trade of the young ones of the improved strains was carried on either by the societies or by their members it is not possible to determine the quantum of pecuniary benefit derived by the members of the society.

" (*f*) An expenditure of Rs. 35,732 towards the scheme has been incurred by Government so far."

SRI P. VENKATASUBBIAH :—" Will it not be more useful to entrust the supervision of these societies to the Livestock Inspecters, Stockmen-Compounders and the Director of Animal Husbandry, who are technically qualified, than to the Senior Inspectors and the Additional Joint Registrar of Co-operative Societies who are non-technical men? "

THE HON. DR. R. NAGAN GOUDA :—" The matter will be considered, Sir."

SRI R. KRISHNAN :—" Will the Government be pleased to state how many such cattle-breeding societies are there in the State as a whole and how many of them are in Malabar? "

THE HON. DR. R. NAGAN GOUDA :—" Notice, Sir."

SRI V. RAMA RAO :—" ఈ విధానం ఎన్ని జిల్లాలలో ఉన్నదో మంత్రిగారు తెలవివ్వగలరా ? "

THE HON. DR. R. NAGAN GOUDA :—" A separate question may be put."

[5th November 1952

SRI P. VENKATASUBBIAH:—" Will the Government consider the proposal to open a Cattle Research Station at Cuddapah instead of having several cattle-breeding societies strewn all over the district?"

THE HON. DR. R. NAGAN GOUDA:—" That is a different matter, Sir."

SRI C. V. K. RAO:—" Does the Hon. the Minister for Agriculture know Telugu?"

THE HON. DR. R. NAGAN GOUDA:—" Yes, Sir. That is why I answered the question."

(d) whether these recommendations have been implemented and, if not, what are the steps the Government have taken in the matter; and

THE HON. SRI M. A. MANICKAVELU NAICKER:—" (a) Yes, in October 1947.

" (b) Yes.

" (c) The recommendations of the Committee were—

(i) that the terms of the Brahmaiah Award be enforced by an executive order;

(ii) that all lands, etc., of the ryots, which should have been returned to them as per the award, should be returned to them early together with mesne profits and the loss and damages incurred by the ryots under several items of the award; and

(iii) that a Special Officer be appointed for this purpose.

" (d) The Government considered that with the taking over of the estate under the Abolition Act, the problems raised would in due course get solved.

" (e) The Government do not consider that any useful purpose will be served by placing a copy of the report of the Committee on the table of the House."
